

# PEDICURE

Your toenails will look and feel spectacular after one of our luxurious pedicures. We offer a variety of treatments including standard, and French pedicures. Our Organic Spa Pedicure uses only organic chemical-free substance to prevent tired skin and makes it feel firm and rejuvenated.

Our Deluxe Hot Stone Reflexology Pedicure is the ultimate relaxation. Pressure points in your feet directly connect to your organs making this pedicure the perfect way to unwind. Relieve stressful tension while we use reflexology and hot stones to improve your blood circulation and soothe your feet before beautifying your nails
